THE BRIDGE, INC.
MISSION STATEMENT

The Bridge, Inc. is a private, non-profit community agency that has been helping children and families in the Essex County area since 1971. All Bridge services are designed to strengthen and support families and promote personal growth of children, adolescents, adults and seniors through behavioral health care.

Since that time, The Bridge has grown and successfully expanded to provide multifaceted services designed to strengthen and support families in crisis dealing with mental health issues and/or substance use. Our services are embedded into the Irvington community through the M.A.P. Program, Imani Center, Family Preservation Services and Outpatient counseling.

The M.A.P. Program

Making Achievement Possible

M.A.P. is a Middle School Based Program at University Middle School in Irvington, New Jersey. The program offers students learning support, preventative health services, mental health and substance use counseling.

The M.A.P. Program provides greatly needed resources to the educational system by offering a central, accessible and non-threatening place for students and families to begin to solve their problems, and build personal assets.

**Every student can Make
their Achievements
Possible !!!**

OUR SERVICES

Our program provides students with a comprehensive set of services:

- Crisis Intervention
- Individual & Group Counseling
- Learning Support Services
- Mental Health & Family Counseling
- Networking with Community Agencies
- Primary and Preventative Health Services
- Recreation Activities

After School Programs & Recreational Activities

All students who wish to participate are welcome. The students benefit from taking part in these activities and they learn how to access any school based services according to their need.

ADOLESCENT PREGNANCY PREVENTION INITIATIVE

APPI provides services to Middle and High School students within the School-Based Youth Services Program. Students involved in the program learn pregnancy prevention skills and receive support toward achieving their education and life goals. The program includes counseling services, education and awareness groups, referrals to available services and resources, and collaboration with school personnel.

WHAT WE DO

Services are provided to University Middle School students, primarily to students who are at risk of dropping out of school, at risk or participating in detrimental behavior or who are in need of counseling services that are beyond the scope of the programs contained

The Team Members of M.A.P.

Consult and Collaborate with

Parents, Teachers, School Administrators,

Special Services and the School Nurse,

In order to

Develop & Implement Strategies
